REFERENCE(S)					
<p>EGFW-11009, 27 July 1960 (not sent Munich)</p> <p>1. As was indicated in the Reference, we are interested in clarifying the status of Marijs HOLLE, a Latvian who managed to repatriate to West Germany in the spring of 1959. Provisional Operational Approval to contact and debrief HOLLE was granted on 28 July 1960. From information available at Headquarters, it seems quite likely that HOLLE was probably given an assignment by the HEB prior to his repatriation. In any event, we believe that contact with him is the best way to clear up the speculation surrounding his arrival in the West. HOLLE has stated to <input type="checkbox"/> that he is extremely anxious to have <input type="checkbox"/> visit him and it is <input type="checkbox"/>'s opinion that HOLLE has information of interest to EURANK. <input type="checkbox"/> has already informed HOLLE that HOLLE will probably be contacted by a friend of <input type="checkbox"/>'s. HOLLE has replied that he would welcome in his home any envoy of <input type="checkbox"/>'s.</p> <p>2. We would like to amend the suggestions that were set forth in paragraphs 2 and 3 of the Reference and offer, as an alternate suggestion, for your consideration and concurrence, the idea of having <input type="checkbox"/> of the Munich Base make the contact with HOLLE. <input type="checkbox"/> has been on TDY at Headquarters and plans to return to Munich within the next few days. If our suggestion of using <input type="checkbox"/> for this assignment meets with your approval, it is requested that you cable Munich to that effect. <input type="checkbox"/> has been briefed in detail on the HOLLE complex, he has met and visited with <input type="checkbox"/> and his family in order to adequately familiarize himself with <input type="checkbox"/>'s personal life so that he can talk with HOLLE as a bona fide friend of <input type="checkbox"/>'s. Your expeditious consideration of this idea will be appreciated.</p> <p>3. There is attached herewith as Attachment A a short biographical resume on HOLLE. As separate cover Attachments B and C, we are forwarding (1) extracts from information that we believe has a direct bearing on HOLLE's suspected activities and (2) a list of the true names of the Identities.</p> <p>4. Munich: If our amended suggestion contained in paragraph 2 above meets with the approval of FOB and COS, Germany and if it is concurred in by your, we will forward, via VIP pouch, <input type="checkbox"/>'s letter of introduction, in alias, for <input type="checkbox"/> to use in initiating contact with HOLLE. We will also forward some personal photographs provided by <input type="checkbox"/> to assist <input type="checkbox"/> in establishing rapport with HOLLE.</p> <p>11 August 1960</p> <p>Attachments: A. Barclay BULL was born about 1931-32, the son of a well-known doctor in Highgate, London. His mother died about 1933 and his mother married ALBERTA BULL. From this marriage was born a daughter who is the step sister of Barclay BULL. In June 1944, Barclay BULL, his mother (Mrs. ALBERTA BULL) and his step sister were deported to Siberia. There was no further news about Barclay BULL until 1955 when his relatives in the Free World learned that he was working as a foreman for a rubber company in Siberia, had married a Latvian girl and was enrolled in the University of Moscow's extension program. Subsequently, it was learned that he was graduated from the University of Moscow in 1956 or 1957. It was also learned that he had been permitted to return to Latvia with his wife and two children in 1956. However, he was unable to find a job and he and his family returned to Siberia where he worked in the Leningrad branch for 2,000 rubles a month. One year, he returned to Highgate where he found employment with a construction detail and resided at Moscow, Kola 9 until his repatriation to West Germany in April, 1959. After BULL arrived in West Germany he managed to get his wife and children repatriated. However, to date, he has not been successful in his efforts to have his mother, Mrs. ALBERTA BULL, repatriated and she remains in Siberia. BULL's present address is: 141410, 141410-141410, 141410-141410, 141410-141410, 141410-141410.

1. ARHIAS/2, a KUBARK REDSOX agent who was infiltrated into Latvia in May 1953, was spotted for KUBARK by Alfreds BERZINS, the step-father of Harijs HOLLE. The initial approach to ARHIAS/2 for KUBARK was made by [] (IDENTITY 1), and that [] was employed by KUBARK. He also knew the true names of []'s brother (IDENTITY 2) and sister (IDENTITY 3) [] ARHIAS/2 was also aware of the presence in Latvia of Alfreds BERZINS' wife, daughter and step-son (Harijs HOLLE). In September 1957 Moscow Radio announced the capture of ARHIAS/2.

2. ARCAMBARO/2, a KUBARK REDSOX agent who was infiltrated into Latvia in May 1954, knew []'s (IDENTITY 1) true name and that [] was employed by KUBARK. ARCAMBARO/2 was, most likely, also aware that []'s brother and sister (IDENTITIES 2 and 3) [] ARCAMBARO/2 was, likewise, aware that Alfreds BERZINS was in contact with KUBARK and he possibly knew that BERZINS' family was in Latvia. In September 1957 Moscow Radio announced the capture of ARCAMBARO/2. (Note: See paragraph 3a below for additional details of the operational activities of ARCAMBARO/2 after his arrival in Latvia on a mission for KUBARK).

3. In 1956 SMOTH informed KUBARK that, as a result of their interrogations of several of their REDSOX agents who had managed to infiltrate from the Baltic countries, they had concluded that all of their Baltic assets in those countries were controlled by the RIG--possibly from the beginning but at least as early as 1949. It is known by KUBARK that a large segment, if not all, of the SMOTH net in Latvia was centered around ARCOB/10 (IDENTITY 4), ARCOB/7 (IDENTITY 5), ARCOB/7's brother (IDENTITY 6) and ARCOB/7's brother-in-law (IDENTITY 7). In the fall of 1958, a staff employee debriefed a former SMOTH REDSOX agent now residing in PEPRINS. As a result of this debriefing, it was established that ARCOB/10 (IDENTITY 4), ARCOB/7 (IDENTITY 5), ARCOB/7's brother (IDENTITY 6) and ARCOB/7's brother-in-law (IDENTITY 7) were in the employ of the RIG and that ARCOB/7's brother-in-law (IDENTITY 7) is a staff employee of the RIG.

4. ARCOB/10 (IDENTITY 4) on more than one occasion asked his mother in Sweden to request Alfreds BERZINS to write to his wife (the mother of Harijs HOLLE) in Latvia, send the letter to ARCOB/10's mother who would, in turn, forward it to ARCOB/10 in Latvia for delivery to Mrs. BERZINS.

5. (a) ANONYM/A (PENDING 8) is a legal resident of Israel who was reported by ANONYM/A to having been recruited for impact in the late summer of 1958. According to ANONYM/A, ANONYM/A (PENDING 8) was involved in the planning of operations, including an operation, provided with a/y supplies to communicate with ANONYM/A and given transportation signals for future contacts.

(b) ANONYM/A (PENDING 8) has a wife and two-aged son who live in ISRAEL. As a result of information obtained by ISRAEL, it was been learned that in May 1957 ANONYM/A (PENDING 8) telephoned from ISRAEL, ISRAEL, to his wife in ISRAEL for the purpose of asking her to allow their son to visit him in ISRAEL. This she refused to do. It is interesting to note that this telephone call was made in May 1957 and that in September 1957, Radio ISRAEL announced the capture of the two ISRAEL ISRAEL agents, one of whom, namely ANONYM/A, had reported that he had recruited ANONYM/A (PENDING 8) for ISRAEL. This reported recruitment could have been followed since it is possible that ANONYM/A was reported shortly after his arrival in ISRAEL.

(c) ANONYM/A (PENDING 8) is well acquainted with ISRAEL (PENDING 1) brother and sister (PENDING 8 and 9) in ISRAEL. He is also acquainted with ANONYM/A (PENDING 6) and ANONYM/A's wife.

(d) ANONYM/A (PENDING 8) is known to be acquainted with (PENDING 9) who is one of the brothers with whom ISRAEL reported that she was in contact during her visit to ISRAEL in the summer of 1959 (See: MEM-7526, Paragraph 4).

(e) ANONYM/A (PENDING 8) was known to ISRAEL to be in contact by mail with ANONYM/A (PENDING 10) who lives in ISRAEL. ANONYM/A (PENDING 10) received mail from and wrote to ANONYM/A (PENDING 8) via a cut-out, ANONYM/A (PENDING 11) who lives in ISRAEL. ANONYM/A (PENDING 10) was recruited by a staff employee to act as a ISRAEL letter drop for the receipt of operational mail from ANONYM/A (PENDING 8). Through a controlled source, ANONYM/A has been learned that ANONYM/A (PENDING 9) was one of ANONYM/A's (PENDING 10) close mail channel to and from ISRAEL.
